How to Reach AIT Conference Center from Bangkok Downtown

Conference venue can be reached from the shared Van available at Victory monument (Near BTS Station). You can take the van (37-40 Baht) that are parked next to Victory Monument or Mo chit BTS stations. Just say to one of those van people “AIT”. They’ll know. You can reach AIT from Victory Monument in around 30 minutes.

You could simply take a taxi straight (prefer metered TAXI) from Bangkok and tell them you want to go to AIT in Rangsit, Pathumthani. The taxi would cost you about 300 Baht plus another 100 baht for toll. Great if you share it with 2-3 other people.

BTS Skytrain

The BTS Skytrain is the safest, most comfortable and convenient way to get around Bangkok. Currently, there are two routes, the Sukhumvit Line and the Silom Line. They cover much of the central city and its many commercial, residential and tourist areas, with extensions planned to outlying areas. The trains run daily between 6:00 am and 12:00 midnight with frequent service throughout the day, increased during rush hours. The fare is based on the distance traveled.
