

Welcome to participate in
International Conference on Computational Modelling, Simulation and Optimisation
ICCMSO-2019

27-29 June, 2019 | Singapore

National University of Singapore

ICCMSO 2019 / Invitation

International Conference on Computational Modelling, Simulation and Optimization will be held at Singapore during June 27-29 June, 2019. The conference is sponsored by Innovative Research Foundation (IRF). The aim of ICCMSO-2019 is to provide a platform for researchers, engineers, academicians as well as industry professionals from all over the world to present the research results and development activities in the different field of Engineering and Technology, Management, Physical & life Sciences and any other application areas related to Computational Methods, Simulation and Optimization. This conference provides an opportunity for the delegates to exchange novel ideas and research findings in a face to face environment, to establish business or research relationships and to find global partners for future collaboration.

PUBLICATION(S)

All the accepted and registered papers of ICCMSO-2019 will be published in the SCOPUS indexed Journal as a Special Issue as per chosen category of registration. Author can also choose the registration with reduced fee for the publication in non- SCOPUS category or Presentation only.

AUTHORS' CAN SUBMIT

- Full Length Papers for the both Presentation and Publication
- Abstract for Presentation only

TOPICS

The conference discussion may include **the application /implementation/Problems related to the Computational modelling, Simulation and Optimization** in the following and the related areas but not limited to:

- Civil Engineering
- Management Sciences
- Computer Science & Engineering
- Mathematical Sciences
- Electrical Engineering
- Mechanical Engineering
- Electronics & Communication Engineering
- Physical Sciences
- Humanities
- Production and Industrial Engineering
- Information Technology
- Social Sciences
- Life Sciences
- Software Engineering
- Pharmaceutical Sciences
- Any Other Areas

SUBMISSION METHOD
